With your customer in mind,

Megawood Larson-Juhl brings you Artique Conservation Matboard. Made of pristine virgin fibers, this alpha-cellulose matboard will preserve valuable artwork and treasures for years to come. You can feel confident that you are offering your customers the highest quality matboard when designing with Artique.

With its extensive range of neutrals,

Artique provides you with the selection you need, from the whitest matboard in the market to the deepest black. Choosing the perfect mat colour is a critical part of the design process. Artique offers a wide range of neutrals through our palette of 176 colours, ensuring that your designs will provide exceptionally beautiful custom pieces for your customers.

Inspired from the colours of the world,

Artique Conservation Matboards are designed to complement a wide variety of home decorating styles. Our broad range of saturated colours and tonal neutrals will complement any design project – whether you are framing a child's fingerpainting, a valuable work of art, or a customer's treasured collectible, Artique has the selection you need to preserve your customers' heirlooms with style.

Selection

- A beautiful palette of 176 colours, ranging from classic neutrals to vibrant colours
- 54 oversized boards available in a broad range of colours
- 11 neutral colours available in solid colour, 8 ply core
- Ripple textured mats add versatility and drama

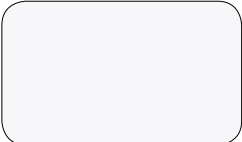

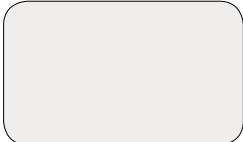

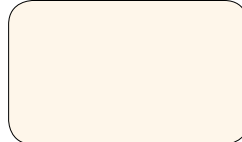

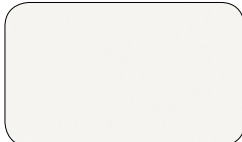

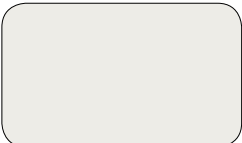

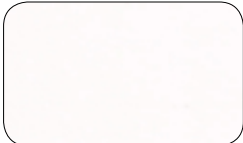

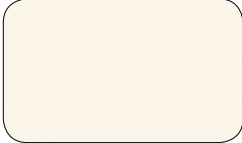

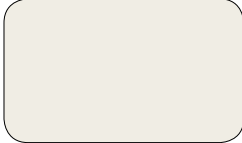

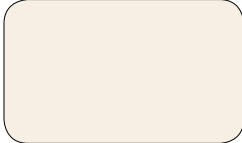

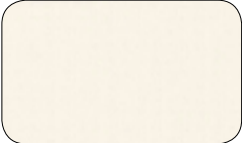

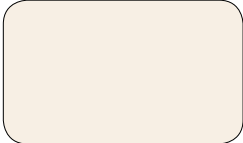

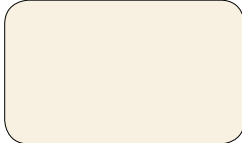

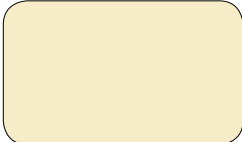

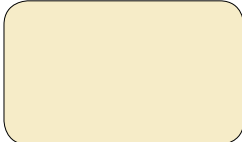

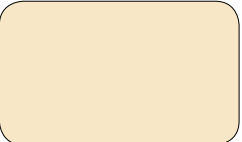

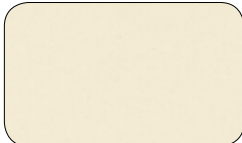

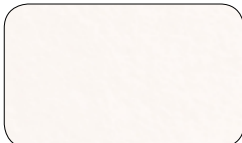

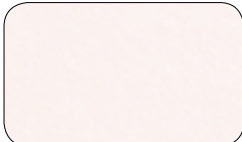

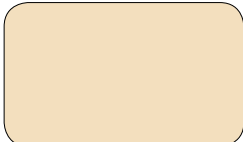

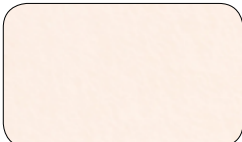

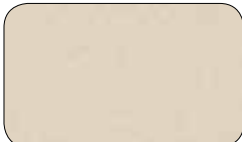

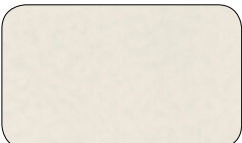

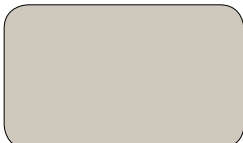

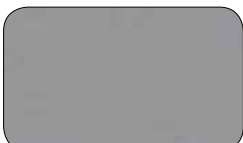

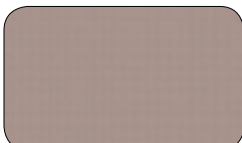

Exceptional Standards

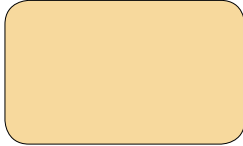

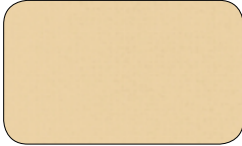

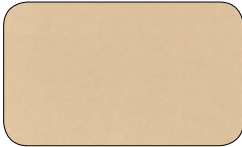

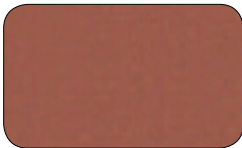

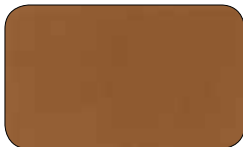

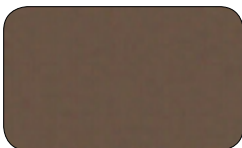

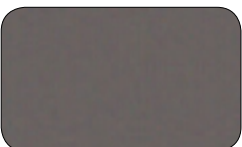

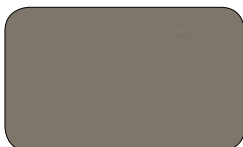

- Conservation Quality
- Acid Free and Lignin Free
- Alkaline pH Buffered
- Smooth, Pristine Bevels
- Consistent Colours
- Bleed and Fade Resistant
- Meets Industry Recognised Guidelines for Conservation

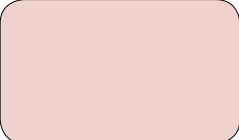

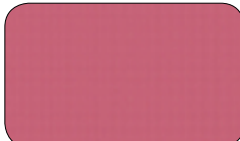

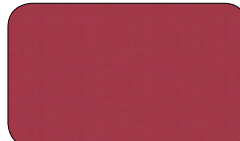

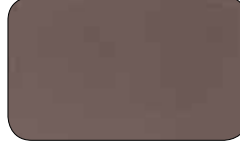

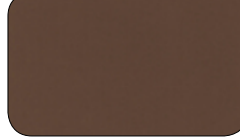

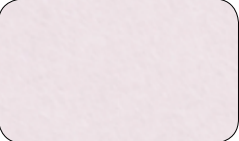

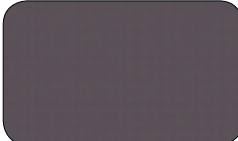

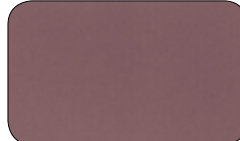

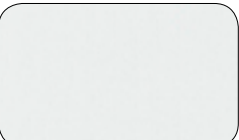

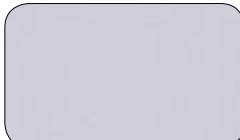

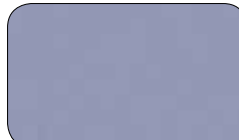

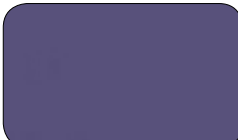

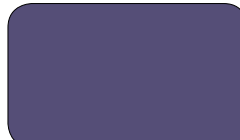

Satisfaction Guaranteed

- As always with Megawood Larson-Juhl, your complete satisfaction is 100% guaranteed.
- Artique is available exclusively from Megawood Larson-Juhl, your trusted source for picture framing supplies.
